

SPECIAL EVENT

Infant CPR and First Aid with Malik Turley

Sunday, February 3 from 4:30 - 6:30pm | \$65/family

Keep baby safe!

Do you know what to do in case of an emergency? Learn what you can do to prevent emergencies from happening. Recommended for parents, grandparents, babysitters, and everyone responsible for the care of an infant or child, this workshop will provide hands-on training in the life-saving art of CPR.

In this single-session class we'll cover the American Red Cross Infant portion of the Friends and Family CPR curriculum. Information about infant/child safety and baby-proofing will also be covered. Families will receive a book that includes a CD with video clips for easy review. Workshop cost allows for 1 - 2 adults. This is not a certification course. Pre-registration is required. Space is limited.

Malik Turley:

After having 2 children and while pregnant with her third, Malik had the opportunity to attend a friend during labor. That experience inspired her to become a birth doula. Gradually she added other parenting-focused services, enabling her to find and live her passion – helping parents and children. Malik is a DONA trained doula, a founding member of Northeastern Illinois Doulas Association, a CAPPa trained Childbirth Educator, a La Leche League trained peer counselor, and is certified by the American Heart Association. She worked and breastfed with all three of her children.
